Dear Parent/Guardian

On Friday 13th November, current Year 6 students and those commencing in Year 7 in 2027 at KRB will be involved in a comprehensive educational assessment run by Academic Assessment Services.

The testing assesses verbal, quantitative and spatial reasoning rather than curriculum knowledge and therefore no student preparation is required. This assessment is one of the many forms of assessment that the school uses to ensure learning is responsive to each student's needs and to monitor each student's progress over time.

Parents will receive a summary report which contains an academic profile and will describe your daughter's aptitude and achievement in mathematics, reading, written expression and spelling.
